

EU Declaration of Conformity

The European Standard covered by this declaration:

EN1717: 2000 - Protection against pollution of potable water in water installations and general requirements of devices to prevent pollution by backflow.

The products covered by this declaration:

ECOMIX (Standard)– High Flow/ Low Flow Single Chemical Proportioning Dispenser

ECOMULTI (Standard) – High Flow/ Low Flow Four Chemical Proportioning Dispenser

The above products have been designed and manufactured in accordance with the guidelines and requirements of the Standard by way of incorporating the required distance of 150mm beneath the backflow protection device intended to prevent contamination of potable water.

Signed:  Authority: *Head of Design* Date: *30/11/22*

The attention of the specifier, purchaser, installer or user is drawn to any specific restrictions outlined by regional water authorities, special measures and limitations of use, which must be observed and adhered to when the product is taken into service in order to maintain compliance.
